Rise, Let us be on our Way

It is with great excitement and anticipation that we announce the convening of another Divine Mercy Conference for New Zealand to be held in Auckland from May 23-25, 2025.

This will be the 5th conference to be held in New Zealand since 1998. Since then, innumerable speakers have come here to promote the Divine Mercy message and devotion, teaching us how to live it in our lives.

This 2025 Divine Mercy Conference will truly be an encapsulation of all that has previously been presented, especially how to live the Divine Mercy in our lives and witness to it in the Third Millennium. The challenges that we face now in 2025 and beyond were barely visible way back in 1998, or even as recent as 2016 (our last conference for NZ), but it's far more apparent now. Evil was growing and has now increased into what I believe is the greatest attack on the faith and teaching of the Catholic Church that we have ever faced in our time. Perhaps even since the dawn of the Church. It is a preternatural evil to which the countervailing view for life is to live the Gospel ever new. But how to do that when the assaults are so great, so all pervading, so manifestly evil, and so confusing?

Join us!

This conference will help you to grow in your Catholic faith, to grow in holiness, to trust, to hope, to pray, to love and to live the Divine Mercy message and devotion, ever new and in the broadest Catholic sense, as in the *Sensus Fidelium* - 'Rise, Let us be on Our Way!' *Jn 14:31*

Pat Barrett, Director Divine Mercy Publications, NZ
